About IMA-IIHCR

With the On-going rise of the pharmaceutical industry, IMA-IIHCR nurtures health care and clinical research professionals who can boost the Pharmaceutical industry. The development in the field of medicine has made its mark in the national as well as the foreign graphs and has now taken up the wheel of test to prove its competence in the field of universal clinical research & health care. Various factors have contributed in the growth of India as the core center of clinical research & health care.

The IMA-IIHCR kindles curiosity of students, generate habits of rational thinking in them, gear their mind to face the unfamiliar and train them to be able to stand on their own in the business world.

IMA-IIHCR endows courses that prove to be a valuable professional resource for today's busy physicians, physician assistants, nurses, clinical fellows, research coordinators, and other individuals working in the medical field who want in-depth exposure to the skills and knowledge needed in the evolving clinical research & health care field without having to commit to an entire master's program.

IMA-IIHCR's provides a unique education program with a curriculum that combines business principles, an understanding of the good clinical research & health care practices pertinent to the new therapeutic product research and development industry.

IMA-IIHCR will bestow students to standardize clinical research & health care professional training required as per regulations, facilitating the acquisition of required training in a timely and inexpensive manner; expediting the clinical trial process by standardizing and facilitating training and trial start-up activities; providing a forum for the sharing of ideas, best practices and practical tips to bring field experience to other clinical research & health care professionals.

IMA INTERNATIONAL INSTITUTE OF HEALTHCARE & CLINICAL RESEARCH
(Founded by CltF.Since 2005 ; Est. & Regd. under E.P.T. Act - XXIX of 1950. Govt. of INDIA)

www.ima.edu.in
Why Distance Learning

Distance Learning offers IMA students a flexible, convenient way to earn college credit. Instead of attending traditional classes' on-campus, students satisfy course objectives independently using instructional technologies, giving busy students access to coursework virtually anytime, anywhere.

Students receive the course syllabus, assignment and exam schedules, and information about course requirements and performance criteria for the semester.

About IMA

The Indian Management Academy – IMA is an academically independent self-financed autonomous certification body offering various diplomas & certification courses in affiliation with prestigious International Universities to award Joint Degree / Double Degree. IMA is founded by Confederation of Indian Healthcare Foundation (CIHF) Est. & Regd. under B.P.T., Act-XXIX of 1950, established in the year 2005 is a non-government, not-for-profit organization registered in Gujarat, Ahmedabad, INDIA to enhance the management skills of students, groups, hospitals, government agencies, NGO organizations, environmental groups, and others in the corporate sectors & institutions across the globe.

Teaching & Examination Methodology

The courses concentrate more on grooming the students as per the current industry requirement & not just theoretically. Giving flexibility to them so that they can study anywhere anytime. IMA follows an international examination pattern known as an Open Book Examination which enables the students to be more innovative and not just bookish.

100% Job Placement Assistance Lifetime

IMA offers 100% Job Placement assistance lifetime to all the student alumni through our global placement partner IBERIS INC.
