About IMA-IIIT

Since its founding, the IMA International Institute of Information and Technology has been leading the way in educating engineers and computer scientists, creating new knowledge and technologies and anticipating the evolution of the field.

The computer and information science major provides a coherent, sequential, and integrated academic program of in-depth study that furnishes a body of knowledge, methods of study, and practice in the area of computer and information science.

Our focused courses understand the environmental, ethical & social implications of the rapidly changing field of information technology which helps to identify current and historical trends, patterns in computer, information science & the individuals / organizations that influence and foster these global patterns of change.

IMA-IIIT has left no stone unturned to design degrees in information technology that meets your professional interests and provides the business knowledge and IT skills needed to make significant, far-reaching contributions to any organization IMA-IIIT will facilitate you to balance professional and personal commitments with your learning goals as you earn that valued degree.

You are free to choose a broad range of IT electives or focus your study in such areas as information security, networking, project management, or enterprise architecture. With IMA-IIIT, You will not only earn a valuable credential after graduation, you can take the information you learn in class today and apply it at work tomorrow!

IMA-IIIT will help you to prepare yourself for leadership in the fast-growing field of information technology, while adding to the body of knowledge in the IT discipline.

IMA INTERNATIONAL INSTITUTE OF INFORMATION & TECHNOLOGY
Why Distance Learning
Distance Learning offers IMA students a flexible, convenient way to earn college credit. Instead of attending traditional classes' on-campus, students satisfy course objectives independently using instructional technologies, giving busy students access to coursework virtually anywhere, anytime.

Students receive the course syllabus, assignment and exam schedules, and information about course requirements and performance criteria for the semester.

About IMA
The Indian Management Academy – IMA is an academically independent self-financed autonomous certification body offering various diplomas & certification courses in affiliation with prestigious International Universities to award Joint Degree / Double Degree. IMA is founded by Confederation of Indian Healthcare Foundation (CIHF) Est. & Regd. under B.P.T., Act-XXIX of 1950, established in the year 2005 is a non-government, not-for-profit organization registered in Gujarat, Ahmedabad, INdia to enhance the management skills of students, groups, hospitals, government agencies, NGO organizations, environmental groups, and others in the corporate sectors & institutions across the globe.

Teaching & Examination Methodology
The courses concentrates more on grooming the students as per the current industry requirement & not just theoretically. Giving flexibility to them so that they can study anywhere anytime. IMA follows an International examination pattern known as an Open Book Examination which enables the students to be more innovative and not just bookish.

100% Job Placement Assistance Lifetime
IMA offers 100% Job Placement assistance life time to all the student alumni through our global placement partner IBERIS INC.
