About IMA-ISE

Engineers convert science knowledge into technology, and then convert technology into successful innovation.

The engineers of today are solving tomorrows problems, but in a variety of fields and ways.

In our increasingly high-tech society, the profession of engineering offers plentiful job opportunities, superior salaries and a high rate of professional satisfaction. A degree in engineering opens the door to a world of opportunity!

We, at IMA-ISE, nurture innovative and challenging engineers to face competitive pressures and advancing technology and face the ever-changing needs of companies.

Engineering permeates all aspects of our day to day lives and the needs of getting an innovative and capable engineer are escalating with time.

With IMA-ISE, get your engineering degree which will help you to follow an interesting career as a professional engineer which may take you down a technical route or you may drift into a more managerial role as your career progresses.

Neil Armstrong, Jimmy Carter, and Alfred Hitchcock, an astronaut, a president, and one a film maker – from different streams of occupation all together but a commonality, they all started with an engineering education.

Engineering as a profession offers a wide range of career possibilities. From the design of fighter planes to that of pacemakers for hearts from boring holes deep in the earth for the petrochemicals to stepping at mars, engineers play the pivotal role.

IMA INTERNATIONAL SCHOOL FOR ENGINEERING
(Founded by CHF, Since 2005; Est. & Regd. under B.P.I. Act - XXIX of 1950, Govt. of INDIA)

www.ima.edu.in
Why Distance Learning

Distance Learning offers IMA students a flexible, convenient way to earn college credit. Instead of attending traditional classes’ on-campus, students satisfy course objectives independently using instructional technologies, giving busy students access to coursework virtually anytime, anywhere.

Students receive the course syllabus, assignment and exam schedules, and information about course requirements and performance criteria for the semester.

About IMA

The Indian Management Academy – IMA is an academically independent self financed autonomous certification body offering various diplomas & certification courses in affiliation with prestigious International Universities to award Joint Degree / Double Degree. IMA is founded by Confederation of Indian Healthcare Foundation (CIHF) Est. & Regd. under B.P.T., Act-XXIX of 1950, established in the year 2005 is a non-government, not-for-profit organization registered in Gujarat, Ahmedabad, INDIA to enhance the management skills of students, groups, hospitals, government agencies, NGO organizations, environmental groups, and others in the corporate sectors & institutions across the globe.

Teaching & Examination Methodology

The courses concentrates more on grooming the students as per the current industry requirement & not just theoretically. Giving flexibility to them so that they can study anywhere anytime. IMA follows an International examination pattern known as an Open Book Examination which enables the students to be more innovative and not just bookish.

100% Job Placement Assistance Lifetime

IMA offers 100% Job Placement assistance life time to all the student alumni through our global placement partner IBERIS INC.

Courses at a Glance

Diploma in Engineering

- Automobile Engineering
- Electronics & Tele-Communication Engineering
- Electrical Engineering
- Civil Engineering
- Chemical Engineering
- Mechanical Engineering
- Computers & IT Engineering
